## SOOGA SPRING MEMBERSHIP MEETING

The SOOGA Spring Membership Meeting took place on April 10th in Marietta, OH, and was a great success. We were pleased to announce a heartwarming initiative during the event: thanks to a generous contribution from the SOOGA Legacy Fund, SOOGA now has a little mascot working alongside the Washington County Sheriff's Department! This partnership highlights our continued commitment to community support and engagement. See page 13 for more information on our Spring Meeting.

## THE CROW'S NEST

Hello Again from the Crows nest,

SOOGA's Annual Spring Membership Meeting has come and gone. Thanks to all that attended it was a great event with lots of great speakers and useful information. A while back SOOGA made a donation to the Washington County Sheriff's Department to help purchase a search and rescue dog, and with that they named the dog Sooga. Sooga made an appearance at the Spring Membership Meeting and quickly became the star of the show. Here at SOOGA we were thrilled to give back to the community, where we all live work and play. We would like to wish Sooga (the hound) the best of luck in serving and protecting the community.

There were a few awards given away this year. We had two workhorse awards this year to Christy Chavez and Kathy Hill. These two ladies are always ready to help with whatever is needing done and we greatly appreciate their hard work.

Don Huck received the Lifetime Achievement award for his dedication to the oil and gas industry. Don has served on many Boards and numerous other groups as well as working many many hours on the Orphan Well Program in Ohio. SOOGA thanks Don for his dedication to the industry.

Also going on now is our Second Chance Raffle. We chose to do it a little differently in cooperating cash prizes and one grand prize pistol, a Ruger-New Vacquero .357. The drawing will begin on May 19 and end on May 24th.

Friday May 16th will be the Spring Golf Outing at the Golf Club of West Virginia. So if you haven't already registered your team please do so by May 9th.

I would like to thank everyone once again, Kendra and the Board Members for making these events a success and thanks to our supporters and attendees.

- President Winnie Sinnett

## 47th Annual SOOGA Spring Meeting

The SOOGA Spring Meeting was a successful event with a lot of industry related topics. The agenda was jammed packed with some useful information throughout the day. We was also able to meet the K9 dog, Sooga. Through our generous donations and partnership with Washington County Sheriff's Department we was able to have a bloodhound named in honor of our association through the SOOGA Legacy Fund.

Here are a few pictures to showcase our wonderful event:

## Event Highlights & Congratulations

During our recent event, we took a moment to recognize several outstanding individuals who have contributed their time and energy to SOOGA. We would like to extend our heartfelt congratulations to:

- **Don Huck** – Recipient of the **Lifetime Membership Award**, in recognition of his enduring dedication and service.
- **Kathy Hill** and **Christy Chavez** – Recipients of the **Workhorse Award**, honoring their exceptional volunteer efforts and commitment.

In addition, we held our **2025 election** during the event and are pleased to announce the newly elected members:

- **Timothy Wyant** – Wyant Exploration
- **Christy Chavez** – Reno Oil
- **Kathy Hill** – Ergon, Inc.
- **Pat Altier** – JT Plus Wells

Thank you to everyone who participated in the voting process and to all of our members for your continued support and involvement.

## SAFETY CORNER

## OCCUPATIONAL SAFETY AND HEALTH ADMINISTRATION

## ERGONOMIC HAZARDS

Oil and gas workers might be exposed to ergonomics-related injury risks, such as lifting heavy items, bending, reaching overhead, pushing and pulling heavy loads, working in awkward body postures, and performing the same or similar tasks repetitively. Risk factors and the resulting injuries can be minimized or, in many cases, eliminated through interventions such as pre-task planning, use of the right tools, proper placement of materials, education of workers about the risk, and early recognition and reporting of injury signs and symptoms. The following OSHA and NIOSH documents provide guidance on recognizing and controlling these hazards:

[Strains and Sprains](#). OSHA's Oil and Gas Well Drilling and Servicing eTool. Lists solutions for preventing strains and sprains in the oil and gas industry.

[Ergonomics](#). OSHA Safety and Health Topics Page. Covers related standards and guidelines for preventing ergonomic injury.

[Ergonomics and Musculoskeletal Disorders](#). National Institute for Occupational Safety and Health (NIOSH) Workplace Safety & Health Topic. Lists NIOSH publications and current research into ergonomics.

## West Virginia Legislative Updates

### Bills that have passed:

- **Senate Bill 22:** This bill provides for *triple damages* in cases of non-payment of oil and gas royalties. It aims to hold companies accountable and ensure landowners receive timely compensation.
- **House Bill 2002:** Establishes a “one-stop shop” system for permits, streamlining the permitting process across various sectors and reducing bureaucratic delays.

### Bills that did not pass:

- **Above Ground Storage Act:** We pushed to amend the Act to apply only to tanks of *210 barrels or less*. The bill successfully passed the Senate but unfortunately died in the House. We remain optimistic and will pursue it again next year.
